internal beauty clinic

## **WELCOME TO OUR CLINIC**

Our team of professional staff is led by clinic owner Lisa Monaghan-Jones RGN. Independant Nurse Prescriber. Dip.G.BCCH.MGCH.RT Dip.ITEC APM.Dip. ITEC Beauty, who is advanced trained in medical aesthetics.

Unlike the majority of salons/beauticians this clinic does not bring in outside companies to administer Botox and cosmetic fillers, allowing us to offer appointments five days a week and provide a continuity of care for our clients.

Lisa is an advanced trained aesthetic practitioner who qualified under leading consultant plastic surgeon Adrian Richards (FRCS Plast) who provides training accredited by the Royal College of Physicians, allowing Lisa to provide the best possible results with the highest standards of care, in private spacious clinical surroundings.

## **Summary of Specialist Treatments on offer:**

### **Dermal Fillers**

Treatment for enhancing lips and improving lines around the nose and mouth area, forehead and even cheek augmentation.

# ENVIRON®

## THE ENVIRON MISSION

At its heart, Environ's mission is to provide proven, cutting-edge technology and sound skin science principles in creating skincare for women and men from youth to maturity, as well as children, all skin types and ethnicities.

Prominent Cape Town plastic surgeon Dr Des Fernandes became interested in the mechanics of skin cancer and the skin following the untimely deaths of two young patients due to melanoma. Through his research, he discovered the essential role of vitamin A in skin health and he became determined to create treatments that would maintain healthy skins, especially as the incidence of sun-related skin disorders grows worldwide. Out of this the Environ range and company were born.
